

Heart conditions

Clear Health Alliance covers health care and support services based on your heart condition.

Some are coronary artery disease (CAD), hypertension and congestive heart failure (CHF).

Services include:

- Heart health education materials and one-on-one support with a nurse
- Medical equipment you need, such as a scale, to help you manage your health
- A home health nurse when needed for diet help and when and where to go for care
- Data about heart education programs in your area
- Phone calls to you and your doctors to track your progress
- Information about heart education programs in your area
